**JOB TITLE:** Industrial Engineer

**JOB TYPE:** Full Time

**GENERAL PURPOSE:**

Tectran presently has a team of talented individuals who manufacture, warehouse and distribute parts for the Heavy Duty Truck and Trailer Market. While our primary manufactured products relate to air and electrical tractor-to-trailer connection lines, we also supply a range of over 7,500 parts to this market.

We are looking for an Industrial Engineer who has a strong understanding of Process flow, and Epicor MRP systems. Understanding of design for all manufacturing principles including BOM/routing generation. Strong documentation skills to include test protocols, work instructions and design specifications. Have proven experience in working with Production, Quality, Purchasing and Warehouse departments to meet OEM customer requirements. Be a self-motivated individual and must be able to effectively balance a large workload. Must have strong communication skills and able to work independently.

**ESSENTIAL DUTIES AND RESPONSIBILITIES:**

- Regularly maintain and update Engineer Bill of Materials
- Review Engineering change orders and update BOM's/routes/operations as necessary
- Coordinates Methods of Manufacturing with all departments outside of engineering
- Detail new drawings or modify existing production drawings
- Calculate material and operation requirements for marketing and sales departments
- Review existing methods of operations and perform time studies
- Develop and maintain system set ups in Epicor MRP for all sites
- Create and maintain system and user documentation
- Train users in Epicor related systems and modules

**EDUCATION/EXPERIENCE:**

- 3 years of prior Engineering experience working with MRP Epicor system
- Strong oral and written communication skills
- Ability to work in a fast paced, multiple priority environment
- Proficient use of the Microsoft office suite
- Experience in an automotive, truck parts or truck service environment would be beneficial
- Bachelors' Degree in Industrial Engineering considered a plus

**TECTRAN is an Equal Opportunity Employer. We offer a competitive benefits package with a generous employer contribution toward our group Health plan and Voluntary Dental, Life, Supplementary insurance plans. PTO, tuition and position relevant Certification and Education reimbursement**
