

POWERCOIL

Vertical Dual Tailgate or Battery Charging Powercoil (2 pole)

DTV Series Tailgate/Battery - Jacket Color: Black for negative / Red for positive

- Two Dual Pole Buffalo Plugs
- Bonded positive and negative conductors
- Use for direct power to tailgates, charging remote batteries, and tarping systems
- Heavy duty fine strand 4 & 6 gauge copper wire configurations available
- Excellent coil memory and durability
- Flexible in temperatures to -85° (-65°C)
- Unique Tectran **WeatherSeal** comes standard
- Rugged abrasion-resistant jacket is resistant to gasoline, diesel fuel and commonly used chemicals
- 200 amp maximum surge current carrying capacity for 4 gauge configurations
- 110 amp maximum continuous current carrying capacity for 4 gauge configurations
- 130 amp maximum surge current carrying capacity for 6 gauge configurations
- 70 amp maximum continuous current carrying capacity for 6 gauge configurations

| | Length | Lead Length | # of Plugs | Part No. with <i>Weather Seal</i> | Stock Code |
|---------|--------|-------------------|------------|-----------------------------------|------------|
| 4 GAUGE | 12' | 2 x 12" | 2 | 7DV4222MW | 37418 |
| | 15' | 2 x 12" | 2 | 7DV4522MW | 37419 |
| | 15' | 1 x 12" / 1 x 48" | 2 | 7DV4542MW | 37420 |
| 6 GAUGE | 12' | 2 x 12" | 2 | 7DV6222MW | 37421 |
| | 15' | 2 x 12" | 2 | 7DV6522MW | 37422 |
| | 15' | 1 x 12" / 1 x 48" | 2 | 7DV6542MW | 37423 |

Connectors - Tractor/Trailer

Dual Pole - Vertical Buffalo Plugs and Bull Nose Socket - Tailgate Connectors

- Polarized contacts
- 200 amp capacity
- 4 & 6 gauge terminals provided
- Socket Lug - stud hole size 1/4"

| Part No. | Stk. Code | Description |
|-----------|-----------|--|
| 670-27SG | 38314 | Vertical plug assembly w/ spring guard - Crimp Termination |
| 670-28 | 38315 | Vertical socket assembly - w/ 4 & 6 gauge terminals included |
| 670-29SG | 38564 | Vertical plug assembly w/ spring guard - Screw Termination |
| 670-722 | 38088 | Boot for back of socket |
| 5012-44 | 34045 | Lug, 4 gauge stud 1/4" hole |
| 5012-64 | 34056 | Lug, 6 gauge stud 1/4" hole |
| 670-7203G | 38427 | Standard Housing Mounting Gasket |

Crimp Termination

Screw Termination
